Product highlights

Control Skype from your phone
You can control your Skype functions directly from your handset: access the Skype window, scroll the contact list and/or access the voicemail.

Free Skype calls everywhere
Use your VOIP phone to call via Skype wherever you are. With Skype you can enjoy making free calls all over the world to any other Skype users. Skype, SkypeOut are trademarks of Skype Limited.

Unique roll-up cable
With this unique cable management, you can wind the USB cable around the phone. No more knots on the cable, the phone is always usable whenever needed.
